

6TH EUROPEAN CONFERENCE IN E-GUIDANCE: *WIDENING ACCESS TO LIFELONG GUIDANCE*

MODERATOR PROFILE

SHORT AUTHOR(S) PROFILE

Jos Noesen, Ministère de l'Education nationale et de la Formation professionnelle, chargé de mission

After having graduated in social education he worked from 1980-1997 on a training centre for young unemployed people; he assisted the director in the administrative and pedagogical management. In 1997 he came to the Ministry of education and vocational training. In 2000 he obtained a master in educational sciences. His responsibilities in the Ministry are on three different levels: administrative and pedagogical management of a network of guidance counsellors, coordinator of the national guidance forum, development and implementation of the validation of non-formal and informal learning and representative for the Ministry at European level in the range of EQF, ECVET, learning outcomes and guidance: In these fields he is as well responsible at national level.
