CONTACT DETAILS OF THE MODERATOR

Gudbjörg Vilhjálmisdóttir, Ph.D., School of Social Sciences, University of Iceland, Gimli, 101 Reykjavík, ICELAND, gudvil@hi.is

SHORT MODERATOR(S) PROFILE

Dr. Gudbjörg Vilhjálmisdóttir is an associate professor in school and career counseling at the University of Iceland. She was the first lecturer in this field in Iceland and has had a teaching and directing position at the counselor education programme since 1991. Her research is focused on (a) social differences in occupational thinking, (b) evaluation of career education and counselling (c) narrative approaches in counselling (d) career adaptability. Gudbjörg has written book chapters and articles in Icelandic, French and Anglo-Saxon journals and has adapted the French Canadian career development programme *Éducation des choix* into Icelandic. Recently she has co-authored a report on the outcomes of guidance for the Icelandic parliament.
